Sep 15, 2019 Need for Speed Hot Pursuit: Remastered is a free port of the 2008 game, released as part of the Need for Speed: Most Wanted Complete Edition For Windows (Xbox 360/PS3/PC). This port can be obtained separately for most systems running the game, as well as certain current-gen consoles (which, while technically being "stored disc", you can still activate on), Xbox 360/PS3, and Wii. Before the game's release, a leaked demo from E3 2009 was available via Xbox Live as well as on PlayStation Network. Plans for a Nintendo DS version, which would use the original music, as well as a Nintendo 3DS version, where the classic score by Tanner Hudson would be available, were also revealed prior to the release. The release versions
