Autocad Architecture 2011. 18-Oct-2017 16:22 Autodesk Autocad 2018.0.2 (x86/x64) + Keygen - [SH] INTRODUCTION: Autodesk® AutoCAD® 2018 (AutoCAD® 2018 is part of AutoCAD® family of products which brings to CAD-based drawing, modeling, and BIM applications, the power of an industry leading 3D drawing platform. EASY TO USE: It is fast and easy to use. You can import 2D and 3D drawings, create new drawings, edit all drawings, and get an overview of your project in one unified view. DESIGN TO SHAPE: With integrated 3D shapes, 2D parameters and AutoCAD drawing units, you can create spatial references and sub-targets in the real world, and work with them in the digital world. NEW FEATURES: This is the next generation of the software, with many notable improvements, the most important being: EASY TO USE: The new user interface is designed to make you more productive, faster, and more efficient in creating and editing drawings. Design Modeling: You can work on your drawings as a 3D model that represents the real world, the way it would be drawn on paper. You can build your models simply and intuitively, because AutoCAD models are geometrically accurate, and have layers and materials which can be combined in any way. TARGETED CREATION: You can work on specific drawing objects such as blocks, parts, and lines without having to select each of them. 40
