
JINGTONG JT-988 USER MANUAL

[Download](#)

the home page www.jington.com is owned and operated by jingtong. any links to other websites are not owned or operated by jingtong and do not share jingtong's trade name, any trademark, design, logo or other identification mark or name. please note that item availability and trading status can change constantly and without notice, so it is possible that you will see different item availability data on our website than in your order confirmation or online order. controllers are instantiated with default parameters and use standard project files. the default values are not necessarily the most convenient for you to use, so we have an option to save the values in a project file for later use. component option may be used to specify a component that will be automatically included with the project. for example, component(s: window) could be used to add a main window to your project. in addition to standard components, jingtong also provides a set of predefined components and add-ons (such as to establish a connection with the device, a radio call is transmitted. unlike with a data call, you don't have to assign a ptt key to the call to establish contact with the device. the device sends a response indicating that the call is connected. until the radio call to the device is connected,

note that the timezone will not be updated automatically if the system clock is changed. if you want to set the system clock, you need to set the timezone attribute before assigning the event processor object. the time will be adjusted once the event processor starts processing.

JINGTONG JT-988 USER MANUAL I

to be eligible for a refund, the item must be returned in its original (unused) condition and packaging within 30 days of delivery. the return of the merchandise is at the buyer's expense. shipping costs will not be refunded unless it is a result of a jingtong's erroneous instructions. this is for us customers only. to get the latest information about trading status, taxes, unit price, availability, shipping terms and other important information for jingtong, please visit www.jington.com . please note that item availability and trading status can change constantly and without notice, so it is possible that you will see different item availability data on our website than in your order confirmation or online order. furthermore, some item details and pricing data might differ from those you see on our website, because our website is updated with data from our suppliers, and different data is shown to different users. this is for us customers only. in order to collect shipping fees for items that you order, please provide an address as accurate as possible. an incomplete, inaccurate or invalid address may be returned as undeliverable, resulting in a refused shipment, which is charged to the customer and may be subject to additional cancellation or reshipping fees. you agree that the home page www.jington.com is owned and operated by jingtong. any links to other websites are not owned or operated by jingtong and do not share jingtong's

trade name, any trademark, design, logo or other identification mark or name. in each case, the description of the merchant or third party, and the content of any advertising or other information on the site is not in any way endorsed by jingtong and any such endorsement will not be implied. nor does jingtong endorse, support, represent or guarantee the quality, condition, completeness, safety, accuracy or reliability of any of the products or services offered by such third parties. in the case of a dispute between jingtong and any third party, we will act as a distributor in any dispute between jingtong and such third party. we accept no liability for any of the content of third party websites. 5ec8ef588b
